**ORDER OF DISMISSAL**  
**AS TO**  
**CASE NO. 13-921-L**

This Order concerns the application of Lola Glass for additional qualifications to her resident insurance producer license. In a Notice of License Denial dated February 27, 2013, staff of the Department of Insurance and Financial Services (DIFS) denied the application.

The Petitioner challenged the denial action and a hearing was scheduled to adjudicate the matter. While this hearing was pending, DIFS staff initiated a separate compliance action (Case No. 13-928-L) to revoke Ms. Glass's existing insurance producer license. DIFS staff filed a motion to consolidate the two cases. In an order dated August 7, 2013, the administrative law judge (ALJ) granted DIFS staff's motion.

On September 13, 2013, Ms. Glass filed a Motion to Withdraw Petition for a Contested Case Hearing in Case No. 13-921-L (the license application hearing). DIFS staff did not object to the motion. On September 13, 2013, the ALJ issued an order, applicable to Case No. 13-921-L, cancelling the hearing and removing the matter from the hearing docket.

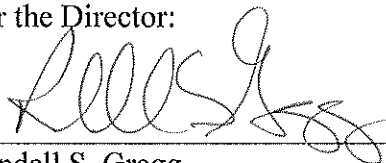

Therefore it is ordered that:

1. The contested case hearing in Case No. 13-921-L is dismissed.
2. The license denial is affirmed.
